SUBJECT: CHAMPION FAMILY

thanks for the reply to my note about the Champion family. I am very much interested in finding out how to get a copy of your book. I don't have all my information with me to refer to right now but do have a little. The furthestest back I have on the line is William Champion who married Tabitha Green. Then they had Jacob S. Champion, b.1750 in Norht Carolina? and he died 1832 in Kershaw County, SC. Jacob married Anne Martin and they had Claiborn Champion, b. in 1797 in South Carolina. I do not know who Claiborn Champion married. But Claiborn had William Jacob Champion, b.Jan.4,1823 in Lancaster County, SC and married Mariah Elizabeth Jones On March 13, 1853 in Clarke County, Alabama. William Jacob died on September 18, 1878 in Poplar Creek, Mississippi. William Jacob and Mariah had Joseph Zebedee, b. March 19, 1859 in Choctaw County, Mississippi. He married Marion Florence Kent in 1886 at Winona, Mississippi and he died December 30, 1944 at Cleveland, Mississippi. Joseph Zebedee is my husband's maternal great-grandfather. Does any of this tie in with what you have? Will look forward to hearing from you again on the Champions.
